

Hi, I'm Bachina Pranav. I am a Machine Learning Engineer at FactSet Research Systems. I graduated from the International Institute of Information Technology, Hyderabad with a B.Tech (Hons) in Computer Science.

During my academic journey, I worked closely as an undergraduate researcher under the supervision of [Dr. Charu Sharma](#) and [Dr. Ankit Gangwal](#).

My primary research interests revolve around Machine Learning Security, Geometric Deep Learning, and AI Safety.
